This matter is before the court on plaintiff's motions to amend/correct judgment (DE 178) and for discovery (DE 179). The motion to amend/correct is DENIED for the reasons stated in the court's October 18, 2022, order, and the related motion for discovery is DENIED as moot. In addition, where this case has been closed more than four years, the court's judgment was affirmed on direct appeal, the Supreme Court denied plaintiff's petition for writ of certiorari, and plaintiff has not established grounds for vacating the judgment under Federal Rule of Civil Procedure 60, the clerk shall not accept any further filings in this case, with the exception of a notice of appeal of this order.
